INSURANCE SERVICES, INC

We've got you covered.

With more than 20 years of experience, we know insurance.

Managing agent Tim Kanter has been in the insurance industry for more than 20 years, and started his own company, Get Benefits Insurance Services, just over a decade ago. The staff focus on helping customers navigate through the confusing world of insurance, and provide excellent customer service through enrollment, billing, claims and any other issues that may arise.

TIM KANTER

We specialize in personal and business insurance.

We shop our network of highly-rated insurance companies to help you find the best plan — custom tailored to your needs.

For businesses, we include a whole suite of HR and compliance solutions at no cost to help save you time and money.

But the biggest thing that sets us apart is our service. Never wait on hold for someone at an insurance company call center ever again. Just call us — we've got you covered.
